

Past and Future Wisconsin Aviation Conference (WAC) Sponsors and Exhibitors

The next Wisconsin Aviation Conference (WAC) is just a few months away! The 63rd Annual WAC will be held at the Wilderness Resort in the Wisconsin Dells, May 6-8, 2018.

The WAC Planning Committee is excited about the change in the conference format to a Sunday-Tuesday time frame. The Committee is also working hard on some great new topics for the 2018 conference. As always, this conference has something for all attendees including Wisconsin airports, consultants, and representatives from the state and FAA.

Looking for an opportunity to spend your end of the year marketing dollars? WAC sponsorship or exhibiting is a great opportunity for you to connect with the WI aviation community! As always, this conference isn't possible without the support of our sponsors and exhibitors so we thank you in advance for your participation. On behalf of the Wisconsin Airport Management Association and the WAC planning committee, we hope you will consider joining us again as a sponsor or exhibitor in 2018.
